Parties by mean preferred policy: all illicit drugs vs legal drugs

Per respondent the mean answer (1 = ban … 9 = free sale) over the drugs answered, then the weighted mean per party.
x: cannabis, psychedelics, MDMA, speed, cocaine, heroin; y: alcohol, tobacco and vapes. Dashed lines = mean of all respondents.
Axis ranges fitted per page and per axis. Logo size reflects n.
Geen mening excluded; non-voters, blank, Anders and DENK (n = 1) left out. Vote: TK 2025.

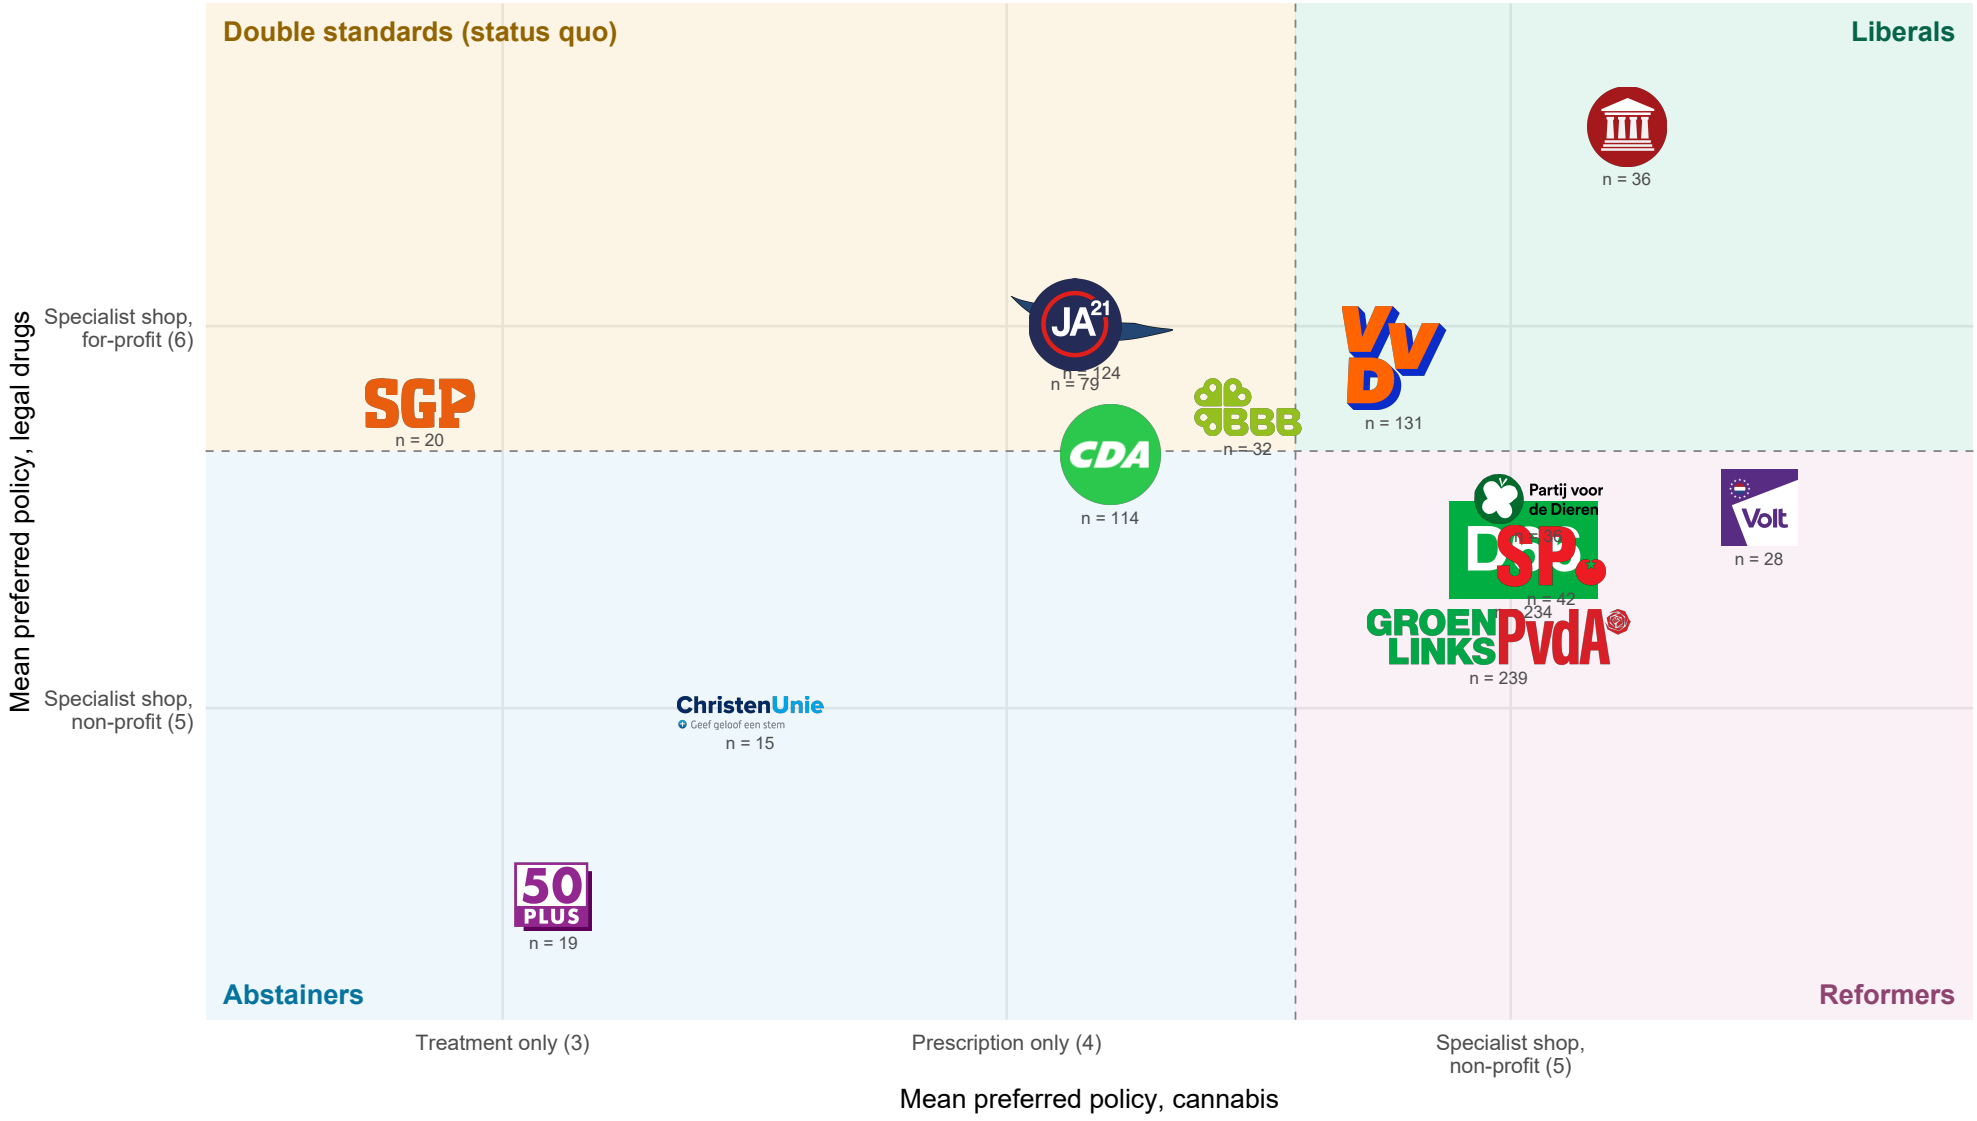

Parties by support for the middle options: all illicit drugs vs legal drugs

Per respondent the share of answers in medical/research (2–4) or specialist shop (5–6) over the drugs answered, then the weighted mean per party.
x: cannabis, psychedelics, MDMA, speed, cocaine, heroin; y: alcohol, tobacco and vapes. Dashed lines = mean of all respondents.
