Parties by support for the middle options: illicit drugs, without cannabis vs alcohol

Per respondent the share of answers in medical/research (2–4) or specialist shop (5–6) over the drugs answered, then the weighted mean per party.
x: psychedelics, MDMA, cocaine, speed, heroin; y: alcohol. Dashed lines = mean of all respondents.
Same axis ranges on every page; x and y differ in range. Logo size reflects n.
Geen mening excluded; non-voters, blank, Anders and DENK (n = 1) left out. Vote: TK 2025.

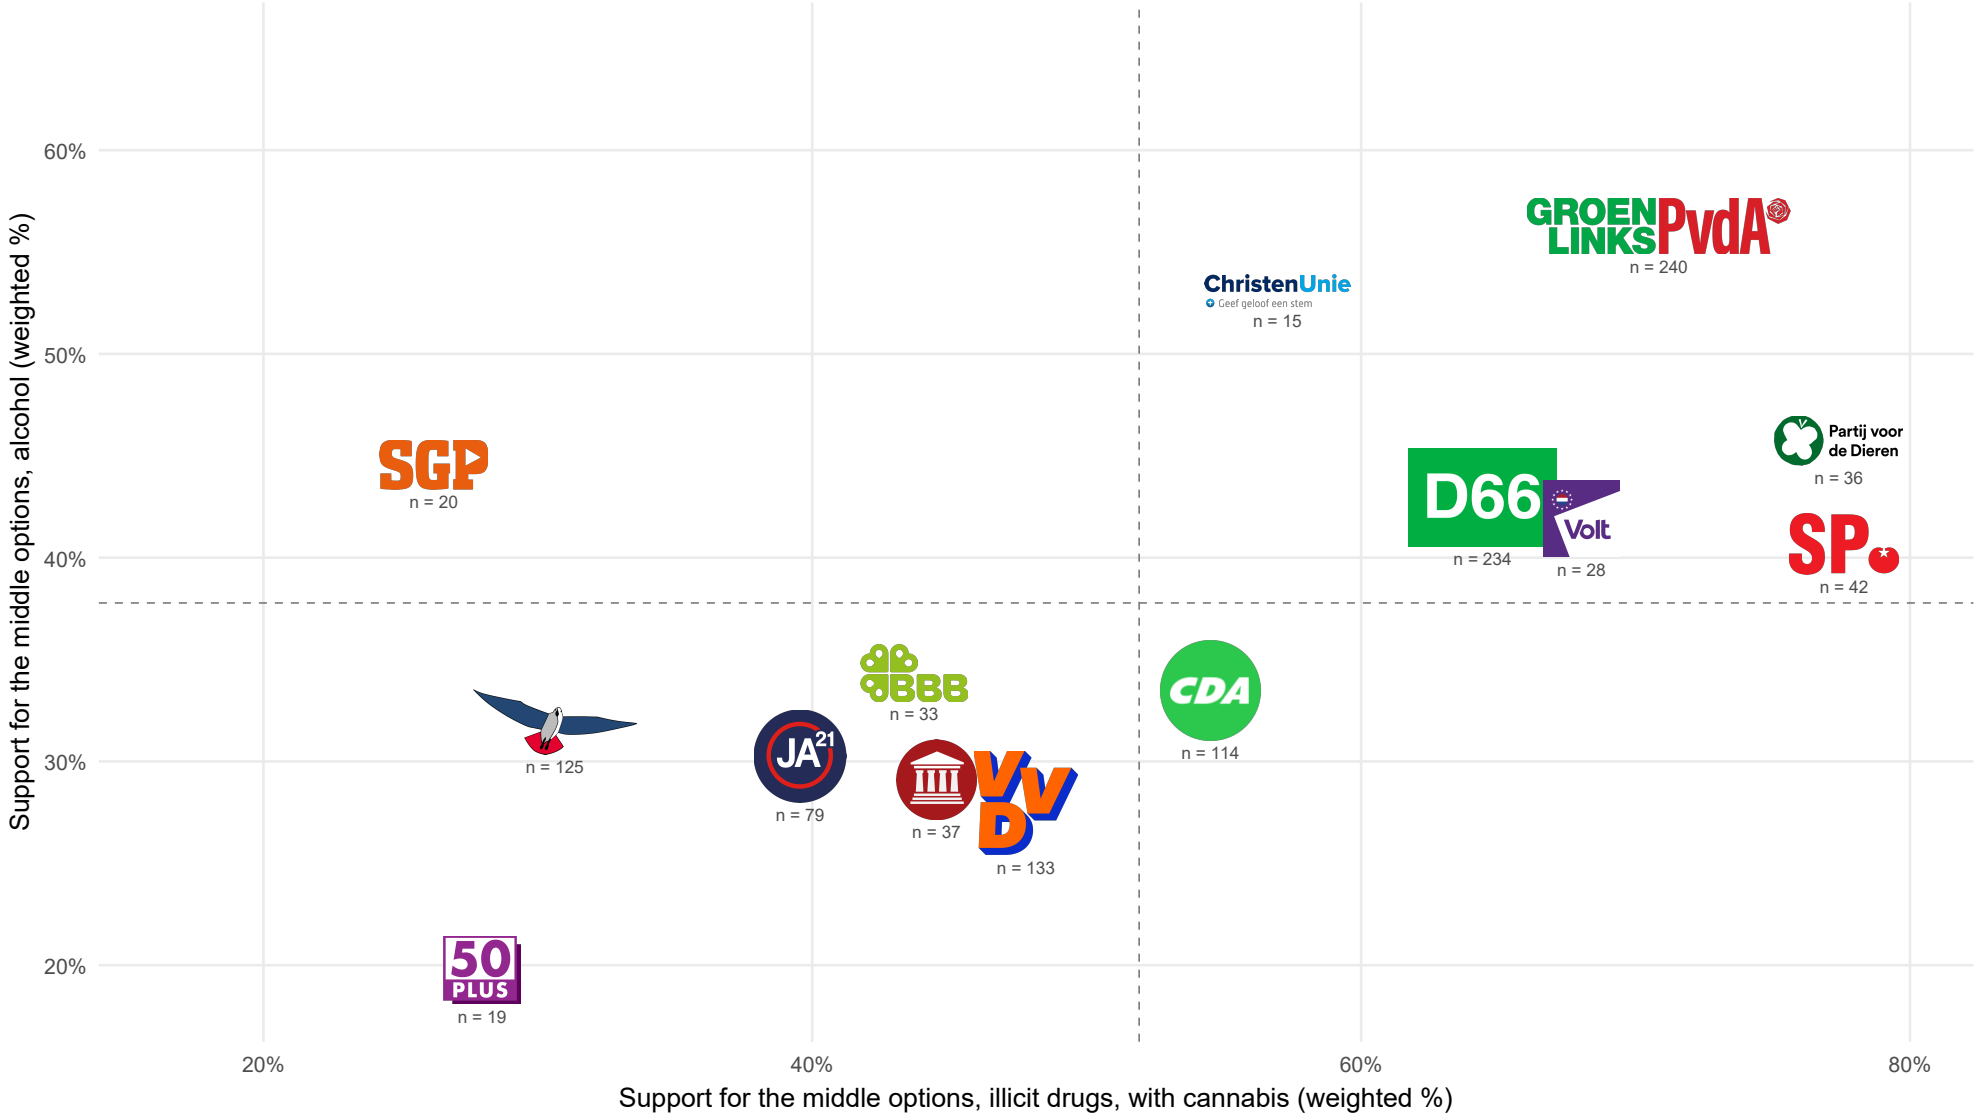

Parties by support for the middle options: illicit drugs, without cannabis vs alcohol and tobacco

Per respondent the share of answers in medical/research (2–4) or specialist shop (5–6) over the drugs answered, then the weighted mean per party.
x: psychedelics, MDMA, cocaine, speed, heroin; y: alcohol, tobacco and vapes. Dashed lines = mean of all respondents.
Same axis ranges on every page; x and y differ in range. Logo size reflects n.
